

# BRS Calendar of Events 2016

With our 2016 Mantra of **Community 'build it, nurture it, and make it count!'** we have focused on Community Events this year that are either smaller events, or where proceeds go to a charity.

We have added a few Brisbane Road Runners events in at the beginning of the year in preparation for Mini BRS On Tour which involves running events on consecutive days. You can join us for a Saturday run and attend Brisbane Road Runners on the Sunday to help your legs adjust and get used to the feeling of two runs in a row!
